OUR SPEAKER

Twylla Alexander is a Veriditas*-certified Labyrinth Facilitator and author of the book, *Labyrinth Journeys ~ 50 States, 51 Stories*. As part of her own personal journey, Alexander walked an outdoor labyrinth in every state in the U. S. and interviewed its creator – all women. She facilitates labyrinth walks and leads labyrinth retreats, providing the space and time for individuals to explore their own journeys. A retired speech-language pathologist and elementary school teacher, Alexander and her husband have lived and worked on four continents. They currently divide their time between homes in Conway, Arkansas and Portland, Maine.

*Veriditas is a non profit located in Petaluma, CA, which trains and supports labyrinth facilitators around the world, and offers meaningful events that promote further understanding of the labyrinth as a tool for personal and community transformation.)
